Treasurer's report – accepted Julia reported a contribution from Driving Essentials of \$260 from December sale.

OLD BUSINESS:

Education Committee – There were 18 participants at 2/12 Intro to Driving I, including 7 new members. There are no changes to the 2005 calendar.

Expo – Despite poor weather about 250 handouts given out; down about 100 from 2004. The committee recommends club purchase pads for the floor. Finances: cost \$1381 and received \$1000 from Hoopes-Addis and \$95 from sales. This leaves \$286 debt. There was a question about the amount to be contributed by CAA. TEN new members signed up at Expo.

Club Show – The prize list is in final form and headed to printer and web site. There will be a special presentation to Mrs. Dukehart from Driving for the Disabled at the Lunch break.

Pleasure Drives – Linda Shackelford, although unable to attend the meeting, reports there are no changes to the scheduled events to report.

By-Laws – The Committee has no report.

NEW BUSINESS

Stubbs Exhibit at Walters Art Museum – Sarah Bruce proposed a club trip to visit this outstanding exhibit of equine art. The club determined that we would attend on April 17, at the museum by 1pm, or meeting at Paige Horine's home at noon. There will be a pot luck at Paige's home after the museum visit.

Events Chairman Job – It was proposed to divide this job into two: Education Committee Chairman (Julia Skelley) and Program & Member Event Chairman (Deb Cohen).

Website – There is a new webmaster. Julia will determine which members may contact the webmaster.

Respectfully Submitted, Marjorie Richmond
