OLD BUSINESS

HDT – There were 18 entries. Evaluations showed some changes needed next year: plane ticket for one judge too expensive; food provider got \$300 upfront (we need to do food differently next year), high first year costs included reusable obstacle materials. Good points included no accidents, plenty of volunteers and participants very pleased. Radio # 8 and a green stopwatch are missing. We hope to hold it at Shoulderbone again next year.

Education Committee – We will be meeting soon to plan the next year.

Shawan Downs – No participation this year.

October Fun Day – Fred reports event will be on October 1, starting at 9am sharp at Shoulderbone. Farm

Recreational Driving – The organizers request we send them information about places to drive, which will be put on the web and in the newsletter. Morgan Run is really good at this time.

Christmas Party – December 10 at Dana Bright's new home. The party features potluck and ornament exchange.

2006 Expo – As we did in the past, we anticipate sharing a booth with the Maryland Pony Breeders. More to come.....

NEW BUSINESS

MD Horse Park – David reminds us to fill out the web survey (mdhorsepark.com). Final list includes Anne Arundel County site (old USNA dairy) and Fair Hill.

Anne announced Driving for the Disabled fund drive; anyone interested?

Phyllis has brought club paraphernalia and is taking orders for driving calendars (discount plus \$ to club)

There being no further business, the meeting was adjourned.
