We will be following ADS Driving Derby Rules for this friendly schooling competition, with the exception that each entry will have two rounds over the same course with the best of your rounds to count for results. The competition will run on Bluestone arena footing and/ or grass. It will be hot so we will keep it more compact but still novice friendly. Our goal is no elimination but the judges decision is final as safety is of paramount importance. We will be on a flat area. Water is available and a shaded hose down area if needed. Feel free to contact us if you have any questions. STABLING AVAILABLE \$50/stall/night. Contact info is on our entry form.

If you are interested in competing in the Mid Atlantic Driving Derby Series, you must register for the series ahead of time! For more information on Rules and Mid-Atlantic Series
